Pre-Development | **Construction** | Post-Construction

LABOR COMPLIANCE OVERSIGHT

The function of labor compliance is to follow state and/or federal labor laws that require certain actions and procedures be adhered to during the entire process of construction projects involving public works funds.

Labor Compliance Oversight is a service provided to both public and private entities involved in the constructing of public infrastructure improvements that are subject to state or federal prevailing wage requirements. **Murow|CM** can monitor, verify, and maintain your compliance with the ever changing standards of the Department of Industrial Relations (DIR) and prevailing wage requirements.

- Audit Certified Payroll Reports
- Verify Submittal of Required Forms: (DAS 140, 142, & CAC-2)
- Contractor Fringe Benefit Statement
- Identify Accurate Wage Determination Rates
- Field Observance and Interviews
